90 Minute "Kick-Off"

- **One-time-only session** conducted at the start of our coaching
- Designed to identify goals, expectations and how to best work together
- Highly recommended as an add-on to the Intensive and Jump Start Packages

Intensive Package

- **(2) 50 minute sessions** per month for approximately 6 months
- Designed for individuals looking to make a big change in your life and/or career, but you are not quite sure what it looks like
- Ideal for professionals who want to switch careers

Jump Start Package

- **(2) 50 minute sessions** per month for approximately 3 months
- Designed for individuals who know the change you want to make, but want to figure out how to do it
- Ideal for professionals who want to improve their job search

Quick Career Advice Package

- **Single 50 minute sessions** as needed
- Designed for individuals who are looking for quick tips or very specific questions answered
- Also useful for former clients who want a "tune-up"
